Vsebina:	**Content (Syllabus outline):**
Predmet izhaja iz splošnega, osnovnega in preglednega poznavanja obravnavanega področja ter predstavlja ciljno nadgradnjo sledečih tem: nastanek, razvoj in definicije diplomacije, vrste diplomacije, diplomacija in globalizacija, diplomacija in digitalizacija, veliki multilateralni projekti v slovenski praksi, diplomatska organizacija in procesi v njej, diplomatsko in konzularno pravo, protokol in diplomacija kot poklic, varnost in zaščita	This course upgrades the previous general, basic and broader understanding of diplomacy (the origin, development and definition, special diplomacies, diplomacy and globalization, diplomacy and digitalization, outstanding Slovene multilateral projects, diplomatic organization and its processes, diplomatic and consular law, protocol and diplomacy as a profession, security and protection of diplomatic work, history of the Slovene diplomacy, future

delovanja, zgodovina slovenske diplomacije, prihodnost diplomacije. Konkreten izbor tem je odvisen od posameznih doktorskih kandidatov, njihovega predhodnega znanja in teme oz. ožjega področja disertacije. Ob tem se navezuje na spoznanja nekaterih sorodnih družboslovnih disciplin, ki se dotikajo diplomacije, npr. sociologija, politologija, komunikologija, organizacijske vede. Poudarek je na zgodovinskem in primerjalnem proučevanju odnosa država – diplomacija – družbeno-zgodovinska situacija kakor tudi na razumevanju diplomacije kot institucije mednarodne skupnosti. V tem smislu predmet uvede študente v sociologijo diplomacije. Poseben poudarek je na inovacijah v diplomatski praksi (npr. e-diplomacija, diplomacija in UI) in na stikanju diplomacije z nekaterimi drugimi področji, npr. diplomacija in literatura. Pri tem se pozornost študentov usmerja na razmišljanje o diplomacijah malih držav in njihovih specifičnostih po koncu hladne vojne.	of diplomacy) and deepens its selective and focused interdisciplinary understanding. The concrete selection of discussed topics depends on the previous knowledge of PhD candidates and on their thesis area/interes. It reaches out to some other fields like sociology, political sciences, communication and organization sciences. It focuses on historical and comparative research and understanding of the relations between state – diplomacy – social and historical situation as well as on understanding of diplomacy as an institution of the international society. At this point it introduces students to sociology of diplomacy. Furthermore, it brings into the research area also innovation in diplomatic practice (like e-diplomacy, diplomacy and AI) and to with diplomacy recently related fields like diplomacy and literature. It also particularly takes into account contemplation on diplomacies of new small states after the end of the Cold War.
