Pogoji za vključitev v delo oz. za opravljanje študijskih obveznosti:	**Prerequisites:**
Izpolnjevanje pogojev za vpis na doktorski študij Mednarodne in diplomatske študije in osnovno znanje s področja predmeta.	Meeting the general conditions for enrolment in the Doctoral Programme International and Diplomatic Studies with a basic knowledge of the subject.

Vsebina:	Content (Syllabus outline):
Predmet izhaja iz področja mednarodnega javnega prava, pri čemer pa je zaradi celovitosti obravnavanja problematike globalnih migracij treba upoštevati tudi spoznanja s področja mednarodnih in diplomatksih odnosov ter globalnega upravljanja. Predmet se prilagaja aktualnim problemom z navedenih področij in predvsem razvoju pravnih pravil in sodne prakse. Osrednja pozornost bo namenjena obravnavi določenih vprašanj znotraj posamičnih tem. Temeljna poglavja znotraj katerih se bodo obravnavala posamična vprašanja so razvidna iz osnovne strukture predmeta: • Pojem, izvor in temelji globalnega prava migracij • Globalni sistem transnacionalne mobilnosti ljudi • Vzroki in izvor sodobnih migracijskih vzorcev • Globalne varnostne, politične, družbene in ekonomske posledice migracij v izvornih in namembnih državah • Povezava med migracijami in razvojem • Nejasne meje med meje med migracijskimi kategorijami in znotraj njih (prostovoljne/prisilne migracije, »neregularne« migracije, delovne migracije, trgovina z ljudmi) • Globalne migracije in rasa, razred, spol, starost in drugi status • Sekuritizacija migracij, okoljske migracije in »podnebni begunci« • Fragmentacija in neenakomerna porazdelitev migracijskih norm, pravil, dejavnosti in institucij na mednarodni, regionalni, naiconalni in subnacionalni ravni	The course derives from discipline of public international law, however due to the need to address the topic of global migration in a comprehensive manner, the findings from the disciplines such as international and diplomatic relations and global governance need to be considered as well. The course is adjusted to address the topical problems from the above-mentioned disciplines, especially the development of legal norms and case law. The focus of the course will be particular issues within the discussed topics. The fundamental questions discussed will be within the scope of the following structure of the course: • Notion, origins and foundations of global migration law • Global system of transnational human mobility • Causes and origins of contemporary migration patterns • Global security, political, social and economic implications of migration across sending and receiving countries • The migration-development nexus • The blurred boundaries between and within migration categories (voluntary/ forced migration, "irregular" migration, labour migration, human trafficking) • Global migration and race, class, gender, age, and other status • The securitization of migration, environmental migration and "climate refugees" • Fragmentation and uneven distribution of migration norms, rules, activities, and institutions at international,

Nabor literature se sproti dopolnjuje z aktualnimi deli s področja problemov, ki se obravnavajo.

The list of readings is regularly updated with new publications on the issues and themes that are subject of this course.

Cilji in kompetence:	**Objectives and competences:**
Cilj predmeta je poglobljen študij izbranih poglavij s področja mednarodnega prava migracij in globalnega upravljanja migracij, vključno z aktualnimi izzivi pri delovanju mednarodnih organizacij in služb na tem področju. Posamezni primeri se obravnavajo interdisciplinarno. Študentje bodo razvili **splošne kompetence**: Pridobili bodo poglobljeno teoretično znanje nekaterih teoretično in praktično najzahtevnejših vprašanj mednarodnega prava, politik in globalnega upravljanja na področju transnacionalnih migracij. Zlasti bodo pridobili: • sposobnost za raziskovanje teoretskih in praktičnih problemov prava in še posebej mednarodnega prava, mednarodnih odnosov in diplomacije, • sposobnost samostojnega teoretičnega in praktičnega opazovanja ter analiziranja, primerjanja in sintetiziranja družbenih pojavov in procesov, vezanih na migracije ter na zgodovinsko-družbeni okvir njihovih konkretnih pojavnih oblik, • sposobnost za samostojno, sistematično in reflektirano znanstvenoraziskovalno delo s skrbno pozornostjo do podrobnosti, • sposobnost znanstvenega analiziranja problemov, vrednotenja različnih teoretičnih izhodišč, uporabe	The objective of the course is a detailed study of the selected chapters and issues within the discipline of international migration law and global migration governance, including the topical challenges related to the functioning of international organizations and services in these areas. Individual issues will be discussed in an interdisciplinary manner. Students will develop the following **general competences**: They will acquire a thorough theoretical knowledge of some of the theoretically and practically most complicated issues of international law, policies and global governance regarding transnational migration. In particular, they will gain: • the skills of researching theoretical and practical problems of law and in particular of international law, international relations and diplomacy, • an ability to make independent theoretical and practical observations and to analyse, compare and synthesize social phenomena and processes related to migration and to the historical and social fabric of its manifestations, • an ability to conduct an independent, systematic and reflective scientific research with scrupulous attention to detail,

primerjalno pravne metode, kritičnega analiziranja prakse držav in mednarodne judikature ter pisnega oblikovanja zahtevnejše pravne argumentacije.	• the skills of scientific analysis of problems, evaluation of different theoretical starting points, use of the comparative legal methods, critical analysis of state practice and international jurisprudence, and drafting of complex legal argumentation.
Študentje bodo razvili **predmetno-specifične kompetence**: • potrebna teoretska, metodološka in analitska znanja za razumevanje, obravnavo in obvladovanje aktualnih problemov na področju globalnega upravljanja migracij, kakor tudi prava, politik in delovanja EU na področju migracij, azila ter integriranega upravljanja meja, • odlično razumevanje delovanja mednarodnih organizacij in drugih institucij in služb, ki delujejo na področju globalnih migracij, • sposobnost inovativnega razmišljanja o transnacionalnih migracijah in njihove interdisciplinarne aplikativnosti.	Students will develop the following **subject-specific competences:** • a necessary theoretical, methodological and analytical knowledge for understanding, contending with and handling topical issues in the field of global migration governance, as well as the EU law, policy and functioning in the field of migration, asylum and integrated border management, • an excellent understanding of functioning of international organizations and other institutions and services that operate in the field of global migration, • an ability of innovative thinking about transnational migrations and their interdisciplinary applicability.

Predvideni študijski rezultati: **Znanje in razumevanje:**	**Intended learning outcomes:** **Knowledge and understanding:**
Študent bo: • poglobil in razširil svoje znanje o značilnostih in razvoju pravne ureditve in politik migracij skozi prizmo globalnega upravljanja; • pridobil sposobnost podrobne in skrbne znanstvene analize problemov z navedenih pravnih in sorodnih področij (mednarodni odnosi, diplomacija),	Students will: • deepen and further expand their knowledge of main features and of the development of migration law and policies through the prism of global governance; • gain the skills of a detailed and rigorous scientific analysis of problems from the discussed legal and cognate

vrednotenja različnih teoretičnih stališč, poglobljene analitične razlage odločitev sodišč in drugih nadzornih organov ter pisnega oblikovanja zahtevnejše pravne argumentacije.

- razumel analitično povezavo in interakcijo med mednarodnim pravom, mednarodnimi odnosi in diplomacijo na podrocju urejanja migracij;
- razumel in kritično presojal področje delovanja multilateralnih mednarodnih institucij (npr. Mednarodna organizacija za migracije in Agencija ZN za begunce) ter regionalnih migracijskih ureditev (npr. EU).

Gregor Maučec je docent za področje mednarodnega in kazenskega prava. Doktoriral je iz mednarodnega javnega prava na Pravni fakulteti Univerze v Mariboru. Svojo znanstveno-strokovno usposobljenost je nadgrajeval kot podoktorski raziskovalec na Pravni fakulteti Univerze v København (kot Marie Skłodowska-Curie Fellow), Evropskem univerzitetnem inštitutu v Firencah (kot Max Weber Fellow) in Pravni fakulteti Univerze v Kyotu (kot JSPS Postdoctoral Fellow). Njegovo raziskovanje in objave se ukvarjajo z mednarodno sodno funkcijo, zlasti s tem, kako jo razumejo in izvajajo sodniki raznih mednarodnih sodnih teles; z vedenjem in odločanjem mednarodnih sodnikov; z mednarodno sodno zaščito manjšin in avtohtonega prebivalstva; z mednarodnimi in internacionaliziranimi kazenskimi sodišči in tribunali; z diskriminacijo in poštenim sojenjem v kazenskem pravosodju, zlasti pri uporabi

smrtne kazni; z vprašanji tranzicijske pravičnosti v pokonfliktnih družbah; ter s politikami in pravom EU na področju upravljanja meja, migracij in azila. Redno se udeležuje znanstevnih simpozijev in odmevnih konferenc, kakor tudi raznih pedagoških usposabljanj na področju visokošolskega izobraževanja. Izvedel je več gostujočih predavanj na tujih univerzah (Univerza v København, Univerza v Firencah in Univeritetni kolidž v Londonu). Od leta 2010 je tudi član uredniškega odbora Zbirke mednarodno pravo.
