Cilji in kompetence:

Cilj predmeta je, na temelju pozitivnopravne ureditve in sodnih judikatov spoznavati upravno procesno pravo.

Študentje spoznavajo procesne standarde in pravice ter obveznosti strank ter uradnih oseb v postopkih uveljavljanja pravic in nalaganja obveznosti pred organi uprave in drugimi organi, ki odločajo v upravnih stvareh. Upravni postopek izvršilni oblasti nalaga predvidljivo postopanje in preprečuje samovoljo. Študentje se seznanjajo z dovoljenimi oblikami procesne komunikacije med stranko in organom in se usposablajo za vodenje postopka in za odločanje v upravnih stvareh.

Kompetence:

Doseženo znanje omogoči posameznemu študentu spoznavati možne interpretacije procesnih pravic strank in obveznosti organov pri odločanju v upravnih in upravno sodnih postopkih.

Objectives and competences:

The aim of this course is to learn about the administrative procedural law on basis of valid regulation, administrative decisions and jurisprudence.

Students learn about procedural standards and rights and obligations of the parties and officers in procedures in which it is being decided upon rights and obligations of the parties in the administrative matters. Administrative procedure demands that the executive branch act predictable and not arbitrary. Students get acquainted with the permitted forms of communication process between the client and the body and are trained to manage the process and to decide on administrative matters.

Cometences:

Accumulated Knowledge allows individual students to learn about the possible interpretations of the procedural rights and obligations of the parties in decision-making bodies in the administrative and administrative litigation.
