Vsebina:

Predmet izhaja iz splošnega, osnovnega in preglednega poznavanja obravnavanega področja ter predstavlja ciljno nadgradnjo sledečih tem: nastanek, razvoj in definicije diplomacije, vrste diplomacije, diplomacija in globalizacija, diplomacija in digitalizacija, veliki multilateralni projekti v slovenski praksi, diplomatska organizacija in procesi v njej, diplomatsko in konzularno pravo, protokol in diplomacija kot poklic, varnost in zaščita

Content (Syllabus outline):

This course upgrades the previous general, basic and broader understanding of diplomacy (the origin, development and definition, special diplomacies, diplomacy and globalization, diplomacy and digitalization, outstanding Slovene multilateral projects, diplomatic organization and its processes, diplomatic and consular law, protocol and diplomacy as a profession, security and protection of diplomatic work, history of the Slovene diplomacy, future

delovanja, zgodovina slovenske diplomacije, prihodnost diplomacije. Konkreten izbor tem je odvisen od posameznih doktorskih kandidatov, njihovega predhodnega znanja in teme oz. ožjega področja disertacije. Ob tem se navezuje na spoznanja nekaterih sorodnih družboslovnih disciplin, ki se dotikajo diplomacije, npr. sociologija, politologija, komunikologija, organizacijske vede. Poudarek je na zgodovinskem in primerjalnem proučevanju odnosa država – diplomacija – družbeno-zgodovinska situacija kakor tudi na razumevanju diplomacije kot institucije mednarodne skupnosti. V tem smislu predmet uvede študente v sociologijo diplomacije. Poseben poudarek je na inovacijah v diplomatski praksi (npr. e-diplomacija, diplomacija in UI) in na stikanju diplomacije z nekaterimi drugimi področji, npr. diplomacija in literatura. Pri tem se pozornost študentov usmerja na razmišljanje o diplomacijah malih držav in njihovih specifičnostih po koncu hladne vojne.

of diplomacy) and deepens its selective and focused interdisciplinary understanding. The concrete selection of discussed topics depends on the previous knowledge of PhD candidates and on their thesis area/interes. It reaches out to some other fields like sociology, political sciences, communication and organization sciences. It focuses on historical and comparative research and understanding of the relations between state – diplomacy – social and historical situation as well as on understanding of diplomacy as an institution of the international society. At this point it introduces students to sociology of diplomacy. Furthermore, it brings into the research area also innovation in diplomatic practice (like e-diplomacy, diplomacy and AI) and to with diplomacy recently related fields like diplomacy and literature. It also particularly takes into account contemplation on diplomacies of new small states after the end of the Cold War.

FAKULTETA ZA DRŽAVNE
IN EVROPSKE ŠTUDIJE

Zakon o zunanjih zadevah Republike Slovenije.

Cilji in kompetence:

Razširiti in poglobiti splošno poznavanje diplomacije in diplomatskega prava ter obenem poznavanje področja usmeriti na izbrane teme ter poglobiti njihovo poznavanje. Omogočiti študentom vpogled v razvojno, primerjalno ter interdisciplinarno razumevanje obravnavane teme. Poudariti in poglobiti postmoderno razumevanje diplomacije in njeno soodvisnost od nevladnih in poslovnih akterjev. Zraven razumevanja nastanka in delovanja slovenske diplomacije usmeriti raziskovalno pozornost na EU kot diplomatskega akterja in na njeno diplomacijo. Razviti sposobnost samostojnega teoretičnega in praktičnega opazovanja ter analiziranja in sintetiziranja družbenih pojavov in procesov v okviru diplomacije.

Objectives and competences:

To broaden and enhance general and focused understanding of diplomacy and diplomatic law as well as to direct this understanding on selected current topics and to deepen their understanding. To enable students to cope with the development, comparison and interdisciplinary nature of diplomacy. To point out and deepen the postmodern understanding of diplomacy and its interdependence with nongovernmental and other actors. To get to know the emergence and establishment of the Slovene diplomacy and the circumstances of its appearance as well as that of the EU diplomacy (EEAS). To be able to research and promote these topics on an independent basis within the broader frame of analyzing and contemplating social processes that influence diplomacy.

Predvideni študijski rezultati:

Znanje in razumevanje:

Razumevanje obravnavanih tem ter njihova aplikacija na razumevanje in razlaganje tovrstnih pojavov in procesov v aktualni mednarodni skupnosti. Pri študentih razviti sposobnost samostojnega teoretičnega in praktičnega opazovanja ter analiziranja, primerjanja in sintetiziranja družbenih pojavov in procesov, vezanih na diplomacijo ter na zgodovinsko-družbeni okvir njenega konkretnega pojavljanja. Spodbuditi interes pri študentih za njihovo nadaljnje samostojno raziskovalno delo na obravnavanem področju ter s tem prispevati h krepitvi kritične intelektualne mase v slovenskem prostoru, kar se proučevanja diplomacije tiče. Spodbujati pri študentih inovativno razmišljanje o diplomaciji

Intended learning outcomes:

Knowledge and understanding:

To understand and comprehend diplomacy as a special area and process of managing relations between states, and between states and international organizations. To develop a capability to apply this knowledge on understanding national and the EU diplomacy. To be able to relate these phenomena with the social and historical situation as well as to focus on diplomacy as a dynamic social process. To encourage interest of students for their further research activities within the area of diplomacy as well as to focus on the Slovene diplomacy. To encourage the innovative and applicable way of thinking and contemplating diplomacy as well as of its interdisciplinary nature.
