International and Diplomatic Studies with
a basic knowledge of the subject.

Vsebina:

Predmet izhaja iz področja mednarodnega javnega prava, pri čemer pa je zaradi celovitosti obravnavanja problematike globalnih migracij treba upoštevati tudi spoznanja s področja mednarodnih in diplomatskih odnosov ter globalnega upravljanja.

Predmet se prilagaja aktualnim problemom z navedenih področij in predvsem razvoju pravnih pravil in sodne prakse. Osrednja pozornost bo namenjena obravnavi določenih vprašanj znotraj posamičnih tem. Temeljna poglavja znotraj katerih se bodo obravnavala posamična vprašanja so razvidna iz osnovne strukture predmeta:

- Pojem, izvor in temelji globalnega prava migracij
- Globalni sistem transnacionalne mobilnosti ljudi
- Vzroki in izvor sodobnih migracijskih vzorcev
- Globalne varnostne, politične, družbene in ekonomske posledice migracij v izvornih in namembnih državah
- Povezava med migracijami in razvojem
- Nejasne meje med meje med migracijskimi kategorijami in znotraj njih (prostovoljne/prisilne migracije, »neregularne« migracije, delovne migracije, trgovina z ljudmi)
- Globalne migracije in rasa, razred, spol, starost in drugi status
- Sekuritizacija migracij, okolske migracije in »podnebni begunci«
- Fragmentacija in neenakomerna porazdelitev migracijskih norm, pravil, dejavnosti in institucij na mednarodni, regionalni, naiconalni in subnacionalni ravni

Content (Syllabus outline):

The course derives from discipline of public international law, however due to the need to address the topic of global migration in a comprehensive manner, the findings from the disciplines such as international and diplomatic relations and global governance need to be considered as well.

The course is adjusted to address the topical problems from the above-mentioned disciplines, especially the development of legal norms and case law. The focus of the course will be particular issues within the discussed topics. The fundamental questions discussed will be within the scope of the following structure of the course:

- Notion, origins and foundations of global migration law
- Global system of transnational human mobility
- Causes and origins of contemporary migration patterns
- Global security, political, social and economic implications of migration across sending and receiving countries

- Global migration and race, class, gender, age, and other status
- The securitization of migration, environmental migration and "climate refugees"
- Fragmentation and uneven distribution of migration norms, rules, activities, and institutions at international,

- Migracije in mednarodno običajno pravo
- Migracije in mendarodno pogodbeno pravo (mednarodni pravni standardi za zaščito migrantov: begunci, delavci migranti, trgovanje in tihotapljenje migrantov)
- Možnosti globalnega prava migracij
- Mehko pravo in globalno upravljanje migracij (funkcije in razvoj mehkega prava, arhitektura globalnega upravljanja migracij)
- Mednarodna organizacija za migracije in Visoki komisariat Združenih narodov za begunce
- Globalni dogovor o varnih, urejenih in zakonitih migracijah (vsebina, omejitve in potencial)
- Integrirano upravljanje meja in migracije
- Pomen in prednosti globalnega upravljanja migracij
- Vrzeli globalnega upravljanja z zaščito beguncev
- EU in migracije: prepletanje nacionalnega, regionalnega in mednarodnega prava
- Upravljanje z migracijami v majhnih državah (Slovenija)
- Prihodnost globalnega prava in upravljanja migracij v luči begunskih kriz in množičnih migracij

Dodatne vsebine se bodo dodajale glede na dosežen teoretični razvoj in znanstveni napredek na področju obravnavanih vprašanj v času izvajanja predmeta.

regional, national and subnational levels

- Migration and customary international law
- Migration and international treaty law (international legal standards for the protection of migrants: refugees, migrant workers, trafficked and smuggled migrants)

Nabor literature se sproti dopolnjuje z aktualnimi deli s področja problemov, ki se obravnavajo.

The list of readings is regularly updated with new publications on the issues and themes that are subject of this course.

Cilji in kompetence:

Cilj predmeta je poglobljen študij izbranih poglavij s področja mednarodnega prava migracij in globalnega upravljanja migracij, vključno z aktualnimi izzivi pri delovanju mednarodnih organizacij in služb na tem področju. Posamezni primeri se obravnavajo interdisciplinarno.

Študentje bodo razvili **splošne kompetence**:

Pridobili bodo poglobljeno teoretično znanje nekaterih teoretično in praktično najzahtevnejših vprašanj mednarodnega prava, politik in globalnega upravljanja na področju transnacionalnih migracij. Zlasti bodo pridobili:

- sposobnost za raziskovanje teoretskih in praktičnih problemov prava in še posebej mednarodnega prava, mednarodnih odnosov in diplomacije,
- sposobnost samostojnega teoretičnega in praktičnega opazovanja ter analiziranja, primerjanja in sintetiziranja družbenih pojavov in procesov, vezanih na migracije ter na zgodovinsko-

Objectives and competences:

The objective of the course is a detailed study of the selected chapters and issues within the discipline of international migration law and global migration governance, including the topical challenges related to the functioning of international organizations and services in these areas. Individual issues will be discussed in an interdisciplinary manner. Students will develop the following

general competences:

They will acquire a thorough theoretical knowledge of some of the theoretically and practically most complicated issues of international law, policies and global governance regarding transnational migration. In particular, they will gain:

- the skills of researching theoretical and practical problems of law and in particular of international law, international relations and diplomacy,
- an ability to make independent theoretical and practical

Predvideni študijski rezultati:

Intended learning outcomes:

Znanje in razumevanje:

Študent bo:

- poglobil in razširil svoje znanje o značilnostih in razvoju pravne ureditve in politik migracij skozi prizmo globalnega upravljanja;
- pridobil sposobnost podrobne in skrbne znanstvene analize problemov z navedenih pravnih in sorodnih področij (mednarodni odnosi, diplomacija), vrednotenja različnih teoretičnih stališč, poglobljene analitične razlage odločitev sodišč in drugih nadzornih organov ter pisnega oblikovanja zahtevnejše pravne argumentacije.
- razumel analitično povezavo in interakcijo med mednarodnim pravom, mednarodnimi odnosi in diplomacijo na področju urejanja migracij;
- razumel in kritično presojal področje delovanja multilateralnih mednarodnih institucij (npr. Mednarodna organizacija za migracije in Agencija ZN za begunce) ter regionalnih migracijskih ureditev (npr. EU).

Knowledge and understanding:

Students will:

- deepen and further expand their knowledge of main features and of the development of migration law and policies through the prism of global governance;
- gain the skills of a detailed and rigorous scientific analysis of problems from the discussed legal and cognate fields (international relations, diplomacy), evaluation of various theoretical positions, thorough analytical interpretation of decisions of courts and other monitoring bodies, and drafting of complex legal argumentation;
- understand the analytical interlink and interaction between international law, international relations and diplomacy in the field of regulating migration;
- understand and critically assess the scope of multilateral international organizations (e.g., IOM and the UN Refugee Agency) and regional migration arrangements (e.g., EU).

Gregor Maučec je docent za področje mednarodnega in kazenskega prava. Doktoriral je iz mednarodnega javnega prava na Pravni fakulteti Univerze v Mariboru. Svojo znanstveno-strokovno usposobljenost je nadgrajeval kot podoktorski raziskovalec na Pravni fakulteti Univerze v København (kot Marie Skłodowska-Curie Fellow), Evropskem univerzitetnem inštitutu v Firencah (kot Max Weber Fellow) in Pravni fakulteti Univerze v Kyotu (kot JSPS Postdoctoral Fellow). Njegovo raziskovanje in objave se ukvarjajo z mednarodno sodno

funkcijo, zlasti s tem, kako jo razumejo in izvajajo sodniki raznih mednarodnih sodnih teles; z vedenjem in odločanjem mednarodnih sodnikov; z mednarodno sodno zaščito manjšin in avtohtonega prebivalstva; z mednarodnimi in internacionaliziranimi kazenskimi sodišči in tribunali; z diskriminacijo in poštenim sojenjem v kazenskem pravosodju, zlasti pri uporabi smrtne kazni; z vprašanji tranzicijske pravičnosti v pokonfliktnih družbah; ter s politikami in pravom EU na področju upravljanja meja, migracij in azila. Redno se udeležuje znanstvenih simpozijev in odmevnih konferenc, kakor tudi raznih pedagoških usposabljanj na področju visokošolskega izobraževanja. Izvedel je več gostujočih predavanj na tujih univerzah (Univerza v København, Univerza v Firencah in Univeritetni kolidž v Londonu). Od leta 2010 je tudi član uredniškega odbora Zbirke mednarodno pravo.
