Prvič, diplomatsko in konzularno pravo. To je osrednji del predmeta, v katerem se predstavi, analizira in komentira pojem kot tak, v nadaljevanju pa se podrobno obravnavata Dunajska konvencija o diplomatskih odnosih in Dunajska konvencija o konzularnih odnosih ter opravi poglobljene primerjava obeh konvencij. Drugič, diplomatski protokol in diplomacija kot poklic. Predstavljena in komentirana so osnovna področja protokola (zlasti korespondenca in ceremonial), s praktičnimi primeri. Predstavljena je diplomacija kot poklic, vidiki, aktualni poudarki in odprta vprašanja.

Tretjič, zgodovina slovenske diplomacije. Podan je splošni pregled snovi in njena periodizacija, v nadaljevanju so obravnavana posamezna obdobja, tipični predstavniki in značilnosti obdobja. Zaključni poudarek je na diplomaciji slovenske države in nekaterih njenih izbranih značilnosti in trendih.

To present, elaborate and teach understanding of diplomatic and consular law as well as related topics. The course is structured in three parts.

Firstly, diplomatic and consular law. This is the main and most thorough part of the course. We present, elaborate, discuss and comment diplomatic and consular law generally and along some most important aspects. A detailed presentation and discussion of the Vienna Convention on Diplomatic Relations and the Vienna Convention on Consular Relations, including numerous practical examples constitute the main part of the course as a whole. Secondly, diplomatic protocol and diplomacy as a profession. We present, comment and discuss various selected topics within the diplomatic protocol (primarily diplomatic correspondence and ceremonial), with numerous practical examples. We also discuss and comment diplomacy as a profession (vs. ad hoc diplomats, experts, bureaucrats etc.) and link them also with some aspects of the future development of diplomacy.

Thirdly, we present and discuss general outlines of the history of the Slovene diplomacy, main periods and some selected personalities, with a special emphasis on the diplomacy of the Slovene state.
